EXTRUDED PVC

US Patents #5,881,502 / #5,937,592. US Trademark #2,149,898

DESIGN FEATURES: The best looking, most "framer-friendly", easy to install, effective continuous soffit vent on the market. Unique double leg channels hide edges of soffit material for clean look and help prevent vent from being pulled up into subfascia. Patents cover use of Tamlyn H Mold at seams.

MATERIAL: Extruded rigid PVC, industry-standard, durable, chemically resistant product designed for outdoor weatherability.

WARNING: Use light or pastel paint colors only on Tamlyn PVC or Sherwin-Williams Vinyl Safe™ Paint. Use of dark color paint will cause deformation. Tamlyn vinyl products are not warranted if painted with dark color paint.

Pre-trimmed upper legs allow for usage of same-size vent/H Mold/soffit material for best look.
